

REMARKS

The Office Action has been carefully reviewed. No claim is allowed. Claims 1-6 and 8-11 presently appear in this application, with claims 5, 10 and 11 withdrawn, and define patentable subject matter warranting their allowance. Reconsideration and allowance are hereby respectfully solicited.

Because applicants have elected the product claims, it is understood that, upon a product claim being subsequently found allowable, withdrawn process claims that depend from or otherwise require all the limitations of the allowable product claim will be considered for rejoinder.

Claims 1-4, 6, 8 and 9 have been rejected under 35 U.S.C. §112, second paragraph, as being indefinite. This rejection is obviated by the amendment to claims 1, 4 and 9.

Reconsideration and withdrawal of the rejection are therefore respectfully requested.

In view of the above, the claims comply with 35 U.S.C. §112 and define patentable subject matter warranting their allowance. Favorable consideration and early allowance are earnestly urged.
